Luxury Vinyl Tile & Plank

One of the fastest growing segments of hard surface flooring is luxury vinyl flooring or LVT/LVP, a versatile, high performing surface with head turning style, longer planks and wider boards. Easy to care for and comfortable underfoot, the product achieves the look of an authentic wood, ceramic tile or stone floor, but without the expensive price tag. Durable and waterproof, this gorgeous LVT/LVP flooring will retain its looks longer, even in high traffic areas. It is also extremely stain resistant. Quick and easy installation makes this product ideal for Do-it-yourselfers.

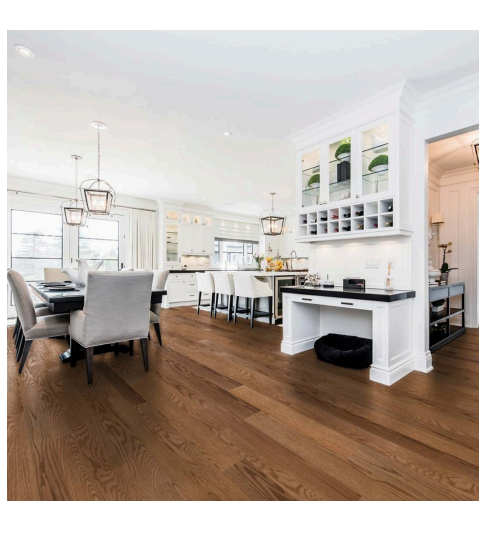
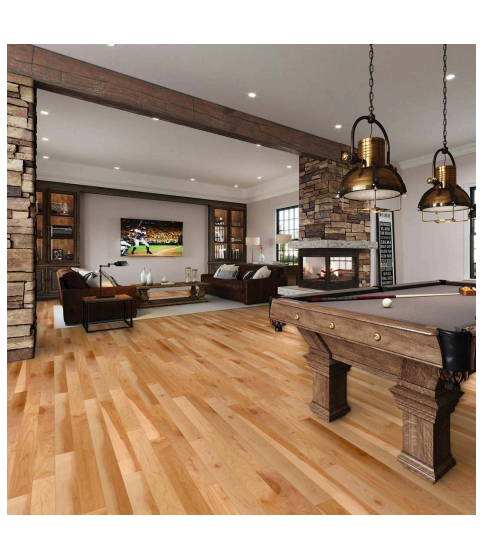
Hardwood Floors





Hardwood floors add a timeless beauty to your home or business. They last a lifetime and are a great option if you are looking for flooring that never goes out of style. Improvements in finishes and larger widths, offer today's discerning customer a more natural look, while making scuffs and scratches less visible.

Hardwood complements any décor with its warmth and unique charm, featuring a variety of grain patterns such as wire brush, hand scraped, distressed and heritage grade finishes.
